QUESTION

Whenever I launch the program, a message appears that says,

"A newer version of this program is now available. Would you like to learn more about upgrading?"

What does this mean?

ANSWER

This message will appear if a newer version of your software title has been released.

Click **Yes** to visit our web site for information about upgrading, or click **No** to continue with launching your version of the program.

If you're interested in obtaining the new version, you may be able to upgrade your software license and receive a rebate.

If you have any questions about your upgrade options, please feel free to contact our Sales Department (<https://www.chiefarchitect.com/company/contact.html>).
