## QUESTION

I received an email that a recent payment was missed. How can I resolve this?

## ANSWER

If you missed a payment, you can resolve the issue by following the link in your email to update your payment information. Additionally, a banner will display when you access your Digital Locker stating that a payment has failed.

## Making a missed payment

1. If a payment was recently missed or failed to process, you will receive an email from *CustomerService@chiefarchitect.com*. Follow the link in the email to proceed.

It's important to ensure that the email you received was sent from the email address listed above. If you believe that the email was not sent from a trusted sender, you can access your [Digital Locker](https://accounts.chiefarchitect.com/digital-locker/) (<https://accounts.chiefarchitect.com/digital-locker/>) and retry the missed or failed payment, or [contact our Customer Service team directly](https://www.chiefarchitect.com/company/contact.html) (<https://www.chiefarchitect.com/company/contact.html>).

Additionally, if you access your [Digital Locker](https://accounts.chiefarchitect.com/digital-locker/) (<https://accounts.chiefarchitect.com/digital-locker/>), a banner message stating: "A payment on your account recently failed.
